

**RECYCLED POMS - HOUSTON
RESCUE ADOPTION APPLICATION**

www.recycledpomeranians.com

Please note: The questions on this application do not necessarily have right or wrong answers, but are to provide information to help us make a decision about placement. We reserve the right to make the placement based on this information, on the results of the reference checks and home visit, and/or on our own perception of the needs of each dog. Feel free to attach a written statement of your own wishes and concerns.

Please do not apply to multiple organizations at the same time.

We are volunteers and need to spend our time with people who are ready to take the dog.

Also, if at any time during the application process, you change your mind, please let us know immediately.

The adoption donation is currently set at a minimum of \$200-\$400 for adults, \$500 for puppies, payable when you take the dog. This is not a selling price, but goes to pay for medical care for all of the rescue dogs.

*****BY SUBMITTING THIS APPLICATION, YOU AGREE TO THE ABOVE STATEMENTS*****
